

Transit Benefit Program: **Fact Sheet**

What's Its Purpose?

Transit benefit programs help pay for certain commuting expenses such as public transportation that you must pay to get to work every day.

Who Owns It?

The account belongs to your company. Your participation ends when your employment does or when you choose to end participation.

What Can I Use the Money For?

When you sign up for the program, the amount you choose to deduct is taken out of your pay on a pretax basis to help purchase your transit pass.
