MYCHOICE COMMUTER BENEFIT CONSUMER ACCOUNT

Commuter Benefits

Commuter benefits for transit and parking can help reduce the frustration and anxiety that often comes with getting to and from work. This benefit allows you to set aside money on a pre-tax basis to pay for certain expenses you incur while commuting.

Deadline for Monthly Elections

- **You will need to make your commuter benefit elections by December 16, 2022, for them to be effective on January 1, 2023**
- Starting in January, elections will need to be made by the **15th** of each month to be effective on the 1st of the following month
- Elections made on or after the **16th** will not be effective until the 1st of the month following the next month

Your elections will automatically roll over each month. You will need to log into Benefitsolver to make changes as needed. The 2023 maximum amount you may contribute pre-tax is \$300 per month. Your first payroll deduction for 2023 elections will be in January.
