* The Choice + HSA Plan includes a non-embedded deductible. This means that if you are covering any dependents, the family deductible will apply to everyone. All family members' expenses will be combined to meet the family deductible before the plan begins contributing to your family's healthcare expenses. However, if you have Associate Only coverage, only the individual deductible will apply.

** In all three plans, the individual out-of-pocket (OOP) maximum is embedded in the family out-of-pocket (OOP) maximum. This means that if one family member meets the OOP max, that individual doesn't have to wait for the entire family OOP max to be satisfied before the plan pays 100% of his/her covered services.
