Be Healthy

Medical Plans

You have access to four Medical Plans, administered by **UnitedHealthcare (UHC)**. You can use any doctor, but in-network providers offer the highest level of benefits (Choice Plus or Select Plus for California).

- **Surest Plan:** This plan gives you more control of cost and coverage with no deductible and no coinsurance—only copays. When you receive care, you pay a set copay amount and can see that price before making an appointment. Copays also cover services delivered during a visit/admission, meaning you won't experience surprise bills. The Surest Plan includes access to the broad, national UHC network. Surest assigns lower prices for higher-value service options using a "Care Rating," which evaluates doctors based on quality, efficiency, and overall effectiveness of care.

Important: Check costs and compare options in the Surest app prior to making an appointment.

- **Signature Plan:** This plan provides you with a high level of benefits. You will pay the most out of your paycheck for this plan; however, office visits only require a copay. For most other services, you will pay a lower deductible (compared to the Choice and Value Plans) plus coinsurance.
- **Choice + HSA Plan:** For this High-Deductible Health Plan, you will pay the cost of services, including prescriptions, until you meet the deductible. You can contribute to a tax-advantaged Health Savings Account (HSA) that can be used to pay out-of-pocket healthcare expenses or save for future expenses. Ingram contributes a set amount to your HSA annually.
- **Value + HSA Plan:** This is another High-Deductible Health Plan, where you will pay the cost of services, including prescriptions, until you meet your deductible. This plan has the highest deductible and out-of-pocket maximum, but significantly lower premiums. With this plan, Ingram does not contribute to your HSA.

Tier 1 Providers (Signature, Choice + HSA, and Value + HSA Plans): The UnitedHealth Premium® program evaluates physicians using evidence-based medicine and national measures to help you locate high-quality and cost-efficient providers. When you visit a Tier 1 Provider, you pay lower copays (Signature Plan only) and lower coinsurance, which means you share in the savings.

To find a UnitedHealthcare Tier 1 Provider, go to myuhc.com > **Find Care & Costs** > **Primary Care Providers or Medical Specialists**. Then, look for providers marked with a "[Tier 1 Provider](#)" tab.

* The Choice + HSA Plan includes a non-embedded deductible. This means that if you are covering any dependents, the family deductible will apply to everyone. All family members' expenses will be combined to meet the family deductible before the plan begins contributing to your family's healthcare expenses. However, if you have Associate Only coverage, only the individual deductible will apply.

** In all four plans, the individual out-of-pocket (OOP) maximum is embedded in the family out-of-pocket (OOP) maximum. This means that if one family member meets the OOP max, that individual doesn't have to wait for the entire family OOP max to be satisfied before the plan pays 100% of his/her covered services.

** The Choice + HSA Plan includes a non-embedded deductible. This means that if you are covering any dependents, the family deductible will apply to everyone. All family members' expenses will be combined to meet the family deductible before the plan begins contributing to your family's healthcare expenses. Health Savings Account (HSA)

If you enroll in the Choice + HSA Plan or the Value + HSA Plan, you can take advantage of a Health Savings Account (HSA) administered by **Optum Bank**. If you enroll in the HSA during the year, you will receive a prorated amount. You can also add your own money to your account. Both contributions, Ingram’s and yours, belong to you. Keep in mind, Ingram’s contribution applies toward the IRS limits.

Child Life***	\$10,000

* Coverage amount is reduced by 50% at age 70.

** Amounts over \$30,000 require Evidence of Insurability, and coverage ends when the associate turns 74.

*** Child(ren) must be between 14 days old and 26 years old to qualify.

Disability Coverage

Disability coverage, offered at no cost to you, provides income protection if you are unable to work due to sickness, injury, or recent childbirth. To be eligible, you must be a regular, full-time associate with at least six months of continuous service. (Deckhands and Leadmen are not eligible for disability benefits.)

Short-Term Disability (STD)

STD coverage only applies to a non-work-related injury or sickness that causes physical or mental impairment to such a degree of severity that you are continuously unable to perform the duties of your regular job.

Coverage will begin after being disabled and out of work for seven consecutive days to satisfy the Elimination Period.

STD PAYMENT SCHEDULE

Full-Time Service at Disability	% of Base Pay
0 to 6 Months	0%
6 Months to 2½ Years	50%
2½ Years to 5 Years	60%
5 Years to 10 Years	75%
10+ Years	90%

Benefits will end when your disability ends or after 150 days when you become eligible for Long-Term Disability—which ever comes first. The benefit payable under this Plan shall be reduced by any disability benefits received or eligible to be received from a statutory disability program.

Long-Term Disability (LTD)

To be eligible, you must remain disabled and unable to work for more than 150 days.

LTD coverage provides you 60% of your salary up to a \$25,000 maximum monthly benefit. Monthly benefits will be reduced by other coverages. Be sure to notify Prudential if other sources of disability income take effect.

Benefits continue until you are no longer disabled, or until you reach your Normal Retirement Age as determined by the Social Security Act. The duration of paid benefits may vary if you are disabled after age 60 and if you have certain health conditions. Certain exclusions and limits for pre-existing conditions apply.

Ingram 401(k) Retirement Plan

Opening and contributing to a 401(k) Plan is one of the easiest ways to save and invest for life after your career. Visit [IngramBenefits.com](https://myplan.johnhancock.com) > **Be Prepared** > **Ingram 401(k) Retirement Plan** for more details on retirement savings, including details on the company contribution, vesting, and more.

How It Works

- Approximately 30 days after your date of hire, you will be automatically enrolled at a 5% contribution rate. This amount will be deducted from each paycheck.
- For new hires, your contribution percentage will automatically increase 1% per year, up to 15%.
- You may change your contribution percentage (up to 50% of your eligible compensation) or opt out at any time.
- You have two contribution options:
 - › Pre-tax: Contributions are made before taxes are withheld, reducing the amount of federal income tax you pay.
 - › Roth 401(k): An after-tax option in which the earnings on your investments grow tax-free, provided certain requirements are met.
- Contributions are deposited into a personal retirement account. You decide how the funds are invested.
- Company match: There is no waiting period to receive the company match. You will receive the entire match—100% of the first 5% of eligible compensation you contribute to your 401(k)—from day one.
- Vesting: Your contributions and earnings are always 100% vested. After two years of service, you will become 100% vested in the company-matching contributions, meaning you own 100% of the funds in your 401(k).
- Go online to myplan.johnhancock.com to change deferral and/or investment elections, beneficiaries, and more.
